

QUALITY POLICY

MAJU INTEGRATED ENGINEERS SDN. BHD. (MIE) aims to enhance its reputation as a leading marine, oil and gas service provider providing comprehensive services and products by setting and reviewing quality objectives to continually improve the effectiveness of the QMS through:

- Ensure that an adequate and effective Quality Management System is implemented, maintained and continually improved.
- Periodic system evaluation in each Department for continuous improvement of the Quality Management System.
- To be customer focused and strive to achieve customer satisfaction.
- Promote a performance standard and culture of zero defects and zero rework.
- Ensuring that all Contractual and Regulatory requirements are fully complied with.
